when I planned to **retire before**

this is the business that made it possible

Starting with borrowed money, in just eight years I gained financial security, sold out at a profit and retired.

"Not until I was forty did I make up my mind that I was going to retire before ten years had passed. I knew I couldn't do it on a salary, no matter how good. I knew I couldn't do it working for others. It was perfectly obvious to me that I had to start a business of my own. But that posed a problem. What kind of business? Most of my money was tied up. Temporarily I was broke. But, when I found the business I wanted I was able to start it for a small amount of borrowed money.

"To pyramid this investment into retirement in less than ten years seems like magic, but in my opinion any man in good health who has the same ambition and drive that motivated me, could achieve such a goal. Let me give you a little history.

"I finished high school at the age of 18 and got a job as a shipping clerk. My next job was butchering at a plant that processed boneless beef. Couldn't see much future there. Next, I got a job as a Greyhound Bus Driver. The money was good. The work was pleasant, but I couldn't see it as leading to retirement. Finally I took the plunge and went into business for myself.

"I managed to raise enough money with my savings to invest in a combination motel, restaurant, grocery, and service station. It didn't take long to get my eyes opened. In order to keep that

business going my wife and I worked from dawn to dusk, 20 hours a day, seven days a week. Putting in all those hours didn't match my idea of independence and it gave me no time for my favorite sport—golf! Finally we both agreed that I should look for something else.

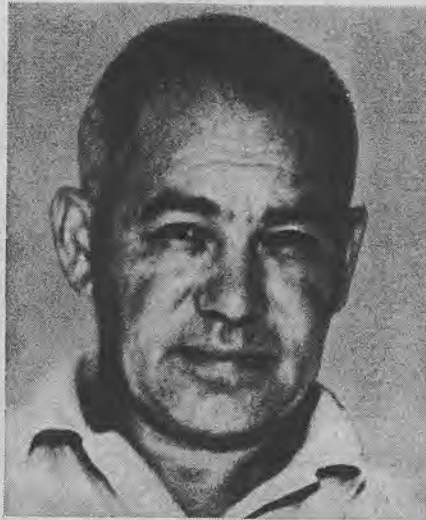

"I found it. Not right away. I investigated a lot of businesses offered as franchises. I felt that I wanted the guidance of an experienced company—wanted to have the benefit of the plans that had brought success to others, plus the benefit of running my own business under an established name that had national recognition.

"Most of the franchises offered were too costly for me. Temporarily all my capital was frozen in the motel. But I found that the Duraclean franchise offered me exactly what I had been looking for.

"I could start for a small amount. (Today, only \$1985 starts a Duraclean dealership, and the company will finance the balance of the total \$5900 cost, without interest or finance charges.) I could work it as a one-man business to start, and operate from my home. No office or shop or other overhead, no salaries to pay. Equipment would fit in my car trunk. (I bought the truck later, out of profits). Best of all, there was no ceiling on my earnings. I could build a business as big

fifty

a true story
by John B. Haikey

as my ambition and energy dictated. I could put on as many men as I needed to cover any volume. I could make a profit on every man working for me. And I could build little by little, or as fast as I wished.

"So, I started. I took the wonderful training furnished by the company. When I was ready I followed the simple plan outlined in the training. During the first period I did all the service work myself. By doing it myself, I could make much more per hour than I had ever made on a salary. Later, I would hire men, train them, pay them well, and still make an hourly profit on their time that made my idea of retirement possible—I had joined the country club and now I could play golf whenever I wished.

"What is this wonderful business? It's Duraclean. And what is Duraclean? It's an improved, space-age process for cleaning upholstered furniture, rugs and tacked down carpets. It not only cleans but it enlivens and sparkles up the colors. It does not wear down the fiber or drive dirt into the base of the rug as machine scrubbing does. Instead it lifts out the dirt by means of an absorbent dry foam.

"Furniture dealers and department stores refer their customers to the Duraclean Specialist. Insurance men say Duraclean can save them money on fire claims. Hotels, motels, specialty shops and big stores make annual contracts for keeping their carpets and furniture fresh and clean. One Duraclean Specialist signed a contract for over \$40,000 a year for just one hotel.

"Well, that's the business I was able to start with such a small investment. That's the business I built up over a period of eight years. And, that's the business I sold out at a substantial profit before I was fifty."

We teach your 10 fingers to make beautiful music

Free booklets reveal the secret of teaching yourself to play the guitar, the piano, or spinet organ — the “right” way.

Many people are content to “fake their way” through the tunes they love. Strumming a few chords or pecking at a few keys. And it’s such a pity.

Your fingers could make beautiful music if you gave them the chance.

They could be playing folk or rock. Classical or pop. Hymns or spirituals. Jazz or ballads. All your favorite songs.

So why miss out on the thrill of making your own music? Give yourself a chance to become as good as you *really* could be! You can teach yourself to play the “right” way — at home — in much less time than you might imagine.

Play “right” from the start

Thousands of people like you have taught themselves to play with the U.S. School of Music courses. By mail. And you can too.

The secret lies in our *clear*, step-by-step, word-and-picture instruction method. It teaches you to play the *right* way. Without gimmicks. You learn to read and play notes ... so you’ll be able to play practically any song, merely by looking at its sheet music.

But how do you know you’re doing it right? Easy. A lot of the songs you practice first are simple tunes you’ve heard many times. And since you already know how these tunes are supposed to sound, you can tell immediately when you’ve “got them right.”

Then you go on to more advanced pieces. By this time you can tell if your notes and timing are right, even without ever having heard the songs before. Sooner than you might think possible, you’ll be able to play the kind of music you like.

You learn in spare time, in the privacy and comfort of your own home. There’s no one standing over you to make you nervous. And because you teach yourself, you can set your own pace. There’s no clock-watching private teacher at \$4 to \$10 per hour to worry about. You take as much time mastering any lesson as you wish.

It’s really such a marvelous way to learn. In fact, Jeffrey Livingston wrote to tell us, “The course was excellent. I knew almost nothing about playing an instrument before I enrolled.”

If you’ve ever dreamed of being able to play the piano, the guitar or the spinet organ, why not learn more about our convenient, low-cost way to learn? Mail coupon for free booklet today. With it we’ll include a free “Note-Finder.” There’s no obligation. U.S. School of Music, A Home Study School Since 1898, 417 S. Dearborn St., Chicago, Illinois 60605.

ANTI-MIGHTY IGOR

There isn't one wrestler alive who can match Mighty Igor's strength. Despite that, you have the nerve to give him only a 9.0 in the strength category! What's

Reader Clifford Oates claims we rated Mighty Igor (above) too low on strength in our recent Stat-o-Chart issue. It is possible we underrated the Polish strongman.

with you guys? Don't you see the way Igor crushes opponents and smashes them into little bits? I'll match Igor against any wrestler in the world.

CLIFFORD OATES
Chicago, Ill.

WINNING IS ALL THAT MATTERS

Throw out the final score of 88.5 given to Ray Stevens. All that matters is the guy left standing at the end. As your rating of 10.0 suggests, Stevens' finishing maneuvers are superb.

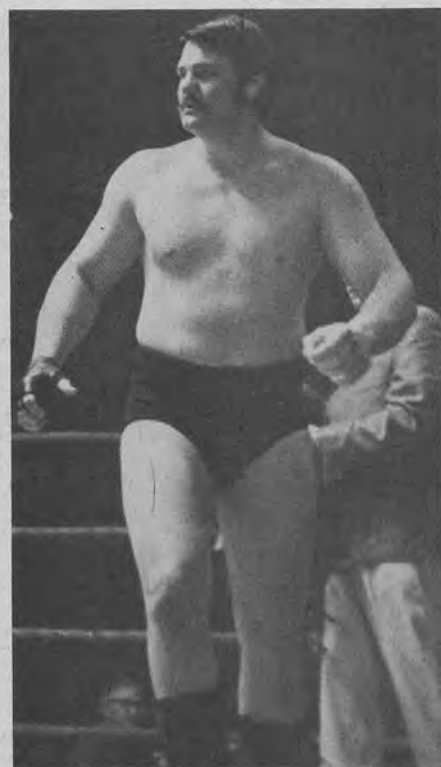

So much attention is given to guys who look pretty in the ring with their manicured nails and their aerial maneuvers. Who cares about that stiff? Winning is all that matters and Stevens' long career is proof of that.

BOB O'MALLEY
Denver, Col.

HAVE TO BE GOOD FOR PRESS?

Where was everyone when Blackjack Mulligan was terrorizing the Mid-Atlantic area? His strength didn't increase because he turned scientific. His ability to absorb punishment didn't go up just because he turned his back on pals Greg Valentine and Ric Flair.

Only his switch to scientific wrestling matters to you guys. If

Contributor Kurt Schmidt says we rated Blackjack Mulligan (above) high because we were impressed with his conversion to scientific wrestling.

he was as bad as ever and was still beating on Rick Steamboat instead of shaking his hand, you'd give Mulligan a low rating.

Now—enjoy a life of unbelievable riches, lasting love and constant protection with the secrets in this startling WITCH BOOK—

THE MAGIC POWER OF WITCHCRAFT

Whatever it is you need or want, Witchcraft can get it for you quickly, easily, and automatically, say these experts. You'll discover how it can bring abundant and overflowing wealth, find or bring back a lover, ward off evil influences, and much more—step-by-step in plain English, with complete easy-to-follow instructions!

Yes... Witchcraft! Every time you hear the word it brings with it the feelings of deep occult secrets—secrets that you would like to know so that your life can be better; so that your enemies will stop bothering you; so that serenity, love, power and comfort can be yours!

THE MAGIC POWER OF WITCHCRAFT lays bare these secrets for the first time! Do you want a bank account bursting at the seams with money? A love life that would make a sultan envious? Supreme power to crush your enemies and reward your friends? What would it be worth to you to utter a simple incantation that would cause any pain to vanish? Or say another, and immediately recover some lost object?

What would it be worth to you to fly through time and space, on astral wings, as Witches do... go wherever you wish... do whatever you wish... without being detected... watch the antics of others behind closed doors... hear private conversations... make time run forward or backward... read tomorrow's newspaper in a "black mirror"... find out what really happened in history... make your face old or young at will!

BRINGS AUTOMATIC ASSURED SUCCESS!

Witchcraft can bring your heart's desire! You can use it to heal someone, influence the boss to give you that raise, or make someone stop bothering you! It's easy! The easiest thing in the world! You don't have to be wealthy or super-intelligent to get started! Thousands of ordinary people all over the world are using Witchcraft Power right now!

Witches have known for centuries that people are scared of them and their powers! And rightly so! NOW YOU CAN SHARE THE SAME POWER that gives you literally—life and death control over other persons! Is someone bothering you? No problem at all, with Magic Witchcraft. For example, there is a spell called the "Cross Not My Path" ritual, for people who are having neighbor trouble. When you use it, you know you will never again have trouble with this neighbor!

With these amazing Witchcraft secrets, other people will look up to you—in awe—you'll automatically dazzle others with your power to make things happen at your will, you'll be Master of your destiny, and never have to apologize to anyone for anything!

Whatever you want or need, whatever frustration is bothering you, Witchcraft will help you. It is not evil—nor is it Black Magic. Like electricity, it is simply a power given by nature for the use of men, to make life easier.

You'll see how to get paid without working... how to get expensive clothes and fun FREE... how to get first-class plane seat FREE... how to vacation at the finest hotels, motels, pools and pleasure palaces, start living like a millionaire as Witches do!

AMAZING TECHNIQUE HAS HELPED THOUSANDS!

Witchcraft secrets like these can make you rich faster than anything else in the world! Here's how others have used them to make

Now! Let This Amazing Witch Book Bring You INFINITE WEALTH, FINE POSSESSIONS, A COMFORTABLE NEW HOME, FINANCIAL SECURITY, LOVE, CONTROL OVER OTHERS, And More—Easily And Automatically!

For centuries, these Witchcraft secrets were hushed up, so that those in power could stay in power! Feudal lords kept their bondsmen as slaves. Factory owners kept their employees in dreaded sweatshops, because these masters knew they must not allow their workers to realize that they need not labor their lives away. Witchcraft was suppressed because it works! Not because of any "evil" in it. If it hadn't worked, no one would have worried about it. If you want to gain power, all you need is this amazing Witch Book!

By using these Witchcraft secrets, you too can change your life and gain health, wealth, someone to love—or anything else—surely, swiftly and automatically!

• THE WITCH'S MONEY JAR!—You'll discover the secret of the Witch's Money Jar, a mysterious jar that fills with money—wherever you want or need it! All you need is some water, pennies, and an ordinary jar or bowl! You'll be amazed at the speed with which it fills with money—a seemingly endless supply of needed cash!

• THE WITCH'S MONEY MAGNET!—You'll see how to magnetize a dollar bill so that it multiplies! All you need to make your own Witch's Money Magnet is a dollar bill, a green candle, and the words on page 38. Once you do this, your dollar will double and keep doubling! You'll enjoy glittering luxuries, and start living like a millionaire, as Witches do!

• THE WITCH'S BLACK MIRROR!—Just as your TV set has been called your "window on the world," so the Black Mirror is your "window on the psychic world"—the world of the unknown. Making your own personal Black Mirror takes only a few moments and can open the way to unguessable visions. All you need is a bowl of water, some ink, and the chant on page 23. Suddenly you will see scenes from other places and times, or any scene you wish to see!

- Raising Your Vital Energy Level!
- How to Keep Evil Forces Away!

"miracles happen in their daily lives!"

You'll see how Vern, a man who likes to give a lot of expensive parties, was always short of cash until he discovered the amazing WITCH'S MONEY JAR—now all he has to do is dip in, for it brings him an endless flow of cash! Evelyn, a waitress, was always lending money to friends, and was always broke. Finally, she placed her last dollar on the table, and worked the MONEY MAGNET SPELL over it. All at once, dozens of people who had borrowed money from her, rushed to pay her back!

Hank was perpetually broke. One night he got together with some friends, and they decided to cast the MONEY SPELL. The very next day, Hank received in the mail a check for some \$250 worth of insurance. (He had never heard of the company that sent the check, he was not insured with them, and had never even made a claim—but he accepted the money.) Another member of the group that used the spell, a 40-year-old secretary, received an automobile as a gift! All the other members of the group received amazing windfalls of money, as well! You'll see how Dexter, a retiree, lives RENT FREE and receives \$200 a week at the age of 78, with a secret you'll find in this Witch Book! You'll see how Claudine, a secretary, was able to wear the finest, most expensive furs—FREE—and spend weekends at an expensive ski lodge in the mountains, where she met a wonderful man! How Ruth L., a widow—with nothing but a small pension, and a little savings—received her dream house, by using a simple 5-minute ritual on page 38 of this book!

Using the same Witchcraft secrets, YOU can achieve peace of mind and freedom from money worries for the rest of your life!

YOU CAN HEAL YOURSELF AS WITCHES DO!

Feeling sick today? Plagued by a lot of troublesome illnesses? Perhaps some relative is sick and constantly demanding your attention? Or perhaps it is even a pet that needs help? With the MAGIC POWER OF WITCHCRAFT, you can cure anything, say authors Gavin and Yvonne Frost. "In our experience... we have not found a single incurable disease!"

• ANDY DISCOVERS A GALLSTONE!—Andy M. developed gallstones. When his illness became too troublesome to ignore, he went to a doctor. Urine tests revealed that he was chronically alkaline. His body was badly out of balance. Using this Witchcraft method to restore balance to the mind and body—in a short while, X-rays showed that he had no more gallstones! Andy never again suffered the excruciating pain of passing stones!

In the same way, say Gavin and Yvonne Frost, almost all illness can be prevented. You are actually employing an ancient Witchcraft method to remove diseased tissue! Even if you do not have any belief in the results, the power will work for you!

One woman, who had been in a wheelchair for 26 years, due to polio and arthritis, used the Witchcraft healing method, and reported that she had no pain and could walk and garden again! A man reported that his son's deep 3rd degree burns miraculously healed overnight!

• SO SIMPLE A CHILD USES IT!—A 4-year-old girl asked if she could try to heal a man who was limping—due to a torn ligament—with this simple Witchcraft healing method. In a matter of moments, she started her chant, laying her hands on the weak ankle. The man was miraculously cured! To skeptics, this should be convincing PROOF that anyone can use it!

AMAZING POWER CAN BE YOURS!

Whether you want infinite wealth, or just a comfortable new home, financial security, fine possessions, love, companionship, new health and vigor, power to control others, secret knowledge, protection from evil, or anything else, the magic power of Witchcraft can bring it to you quickly, easily and automatically! It's the easiest thing in the world!

• HOW TO SEE INTO THE FUTURE!—Would you like to be able to see the future? You CAN with the magic Black Mirror you'll see how to make on page 23. All you need is some ink and a bowl of water. Then use the chant on this page, and you will be able to see many things. One man uses it to read tomorrow's newspaper. YOU can use it to check the stock market or that important horse race!

• MAKE TIME RUN BACKWARD OR FORWARD!—A

TERRY FUNK:

PINNED BY THE SILVER SCREEN

EDITOR'S NOTE: This article is based on an interview conducted by Kelly Foss, the managing editor of HIGH PLAINS LIVING MAGAZINE, in Amarillo, Texas.

THE SILVER SCREEN is Terry Funk's newest opponent. The screen doesn't apply intricate, devastating maneuvers. Nor does it continually break the rules and resort to hideous attempts at maiming and injuring its foe. But the Screen has captured

Terry Funk's imagination and his fans don't like it. For Funk's fans realize that in his battle against the Screen, Terry is a happy, satisfied competitor.

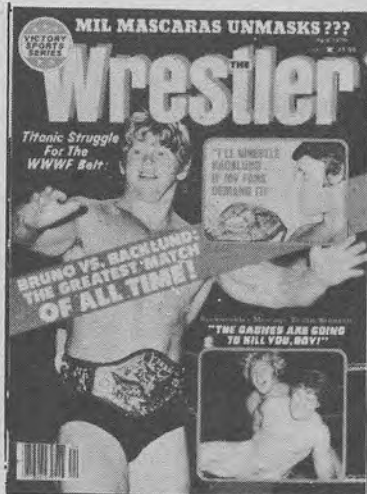

The Silver Screen is Hollywood and the movie industry. Terry

"BULLDOG BROWER IS AS SANE AS I AM"

By LOU ALBANO

TO BE A great leader, you have to know men. You have to know the fires of their souls. You have to know the volcanos of their minds.

I am a great leader. Everyone knows that. So if I'm a great leader, I should know men. And I know what's sane.

I am sane. Totally sane. If I am sane, Bulldog Brower is mad.

Simple as two and two.

See, you can take any word or you can take the word of the shrinks. Doctor Onabla, a respected psychiatrist, certified Bulldog Brower completely sane. They gave him every test devised by man. They made him play with square holes, round holes, long blocks, little blocks. They made him drink blue water

and spit it into a tube. They made him do pushups while singing "I've Got Rhythm." There was no test Dr. Onabla and the doctors *didn't* do.

And they concluded Brower was sane. Really, Bulldog Brower is as sane as me.

Let us look into the meaning of sane. Sane. S-A-N-E. Spelled backwards, it's "enas," which is a

Central European frog.

Sanity means knowing right from wrong. My brother, Alfred Albano, the respected attorney with the firm of Flywheel, Julius, and Marx, advises me on sanity. Alfred says that if you can distinguish between right and wrong, you are sane. About Alfred, we're not too sure. But he can read, which is more than I can say for the editors of this magazine.

Bulldog knows what is right. Winning is right. Losing is wrong. Therefore, unquestionably, Bulldog does everything he can do to win. He is devoting all his energies toward doing the right thing. Thus everything he is doing is right. So if he is doing everything right, and avoids everything wrong, and knows

Everybody says Bulldog Brower is crazy. Everybody, but Lou Albano, that is. Here, in his own words, is Albano's defense of Brower, a testament to two crazy birds who flock together

what is right, and knows what is wrong, he is sane.

Another measure of sanity is how you behave at the job you are in. Wrestling is an honorable sport which is tarnished by hooligans. You know who those hooligans are. Bob Backlund, Bruno Sammartino, Dusty Rhodes. All liars and cheats.

If you are sane, you don't have to lie and cheat, do you? Bruno Marinara and Howdy Doody Bobby Boo cheat and lie all the time. Why do they cheat and lie all the time?

According to Dr. Onabla, who has studied these peculiar life-forms for many months, they lie and cheat because they are confused. They realize their limited skills but don't know what to do about them. So they have to break the rules. If they

(Continued on page 54)

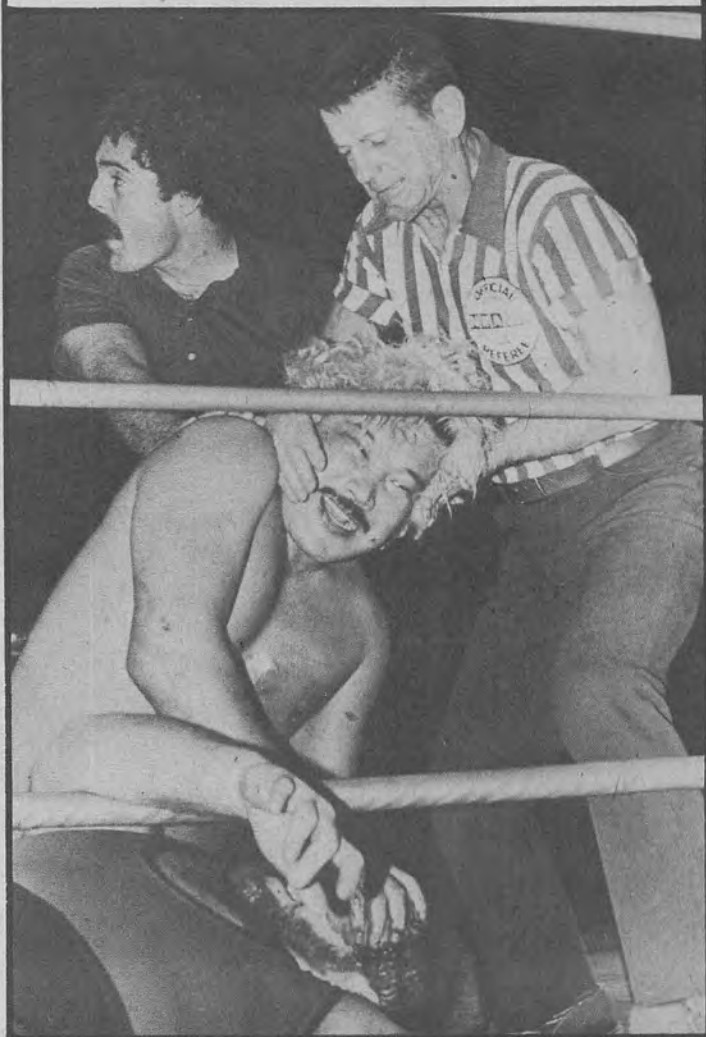

Brower does some self-promotion (top). Against S.D. Jones, the true Brower nature is apparent (above). Note the crazed eyes. But Brower's manager, Captain Louis Albano, insists his grappler is sane.

OMAHA, NEB.

Despite the referee's intervention, Super Destroyer II stalks a stunned Jim Brunzell. What secret did Brunzell learn about Super Destroyer II? The secret revealed could change the life of the dreaded masked rulebreaker.

JIM BRUNZELL LEARNS THE TERRIBLE SECRET OF SUPER DESTROYER II

THE COFFEE WAS cold. Rain beat against the window. Jim Brunzell's eyes followed the drops down the pane. As long as he kept sitting there, sipping the cold coffee, he didn't have to make any decision. Life is safer when you don't have to make decisions.

The phone rang. Brunzell wondered if he should answer it. By the time he got up, the ringing stopped. Just as well, as far as Brunzell was concerned.

He turned on the radio. After checking out every station and

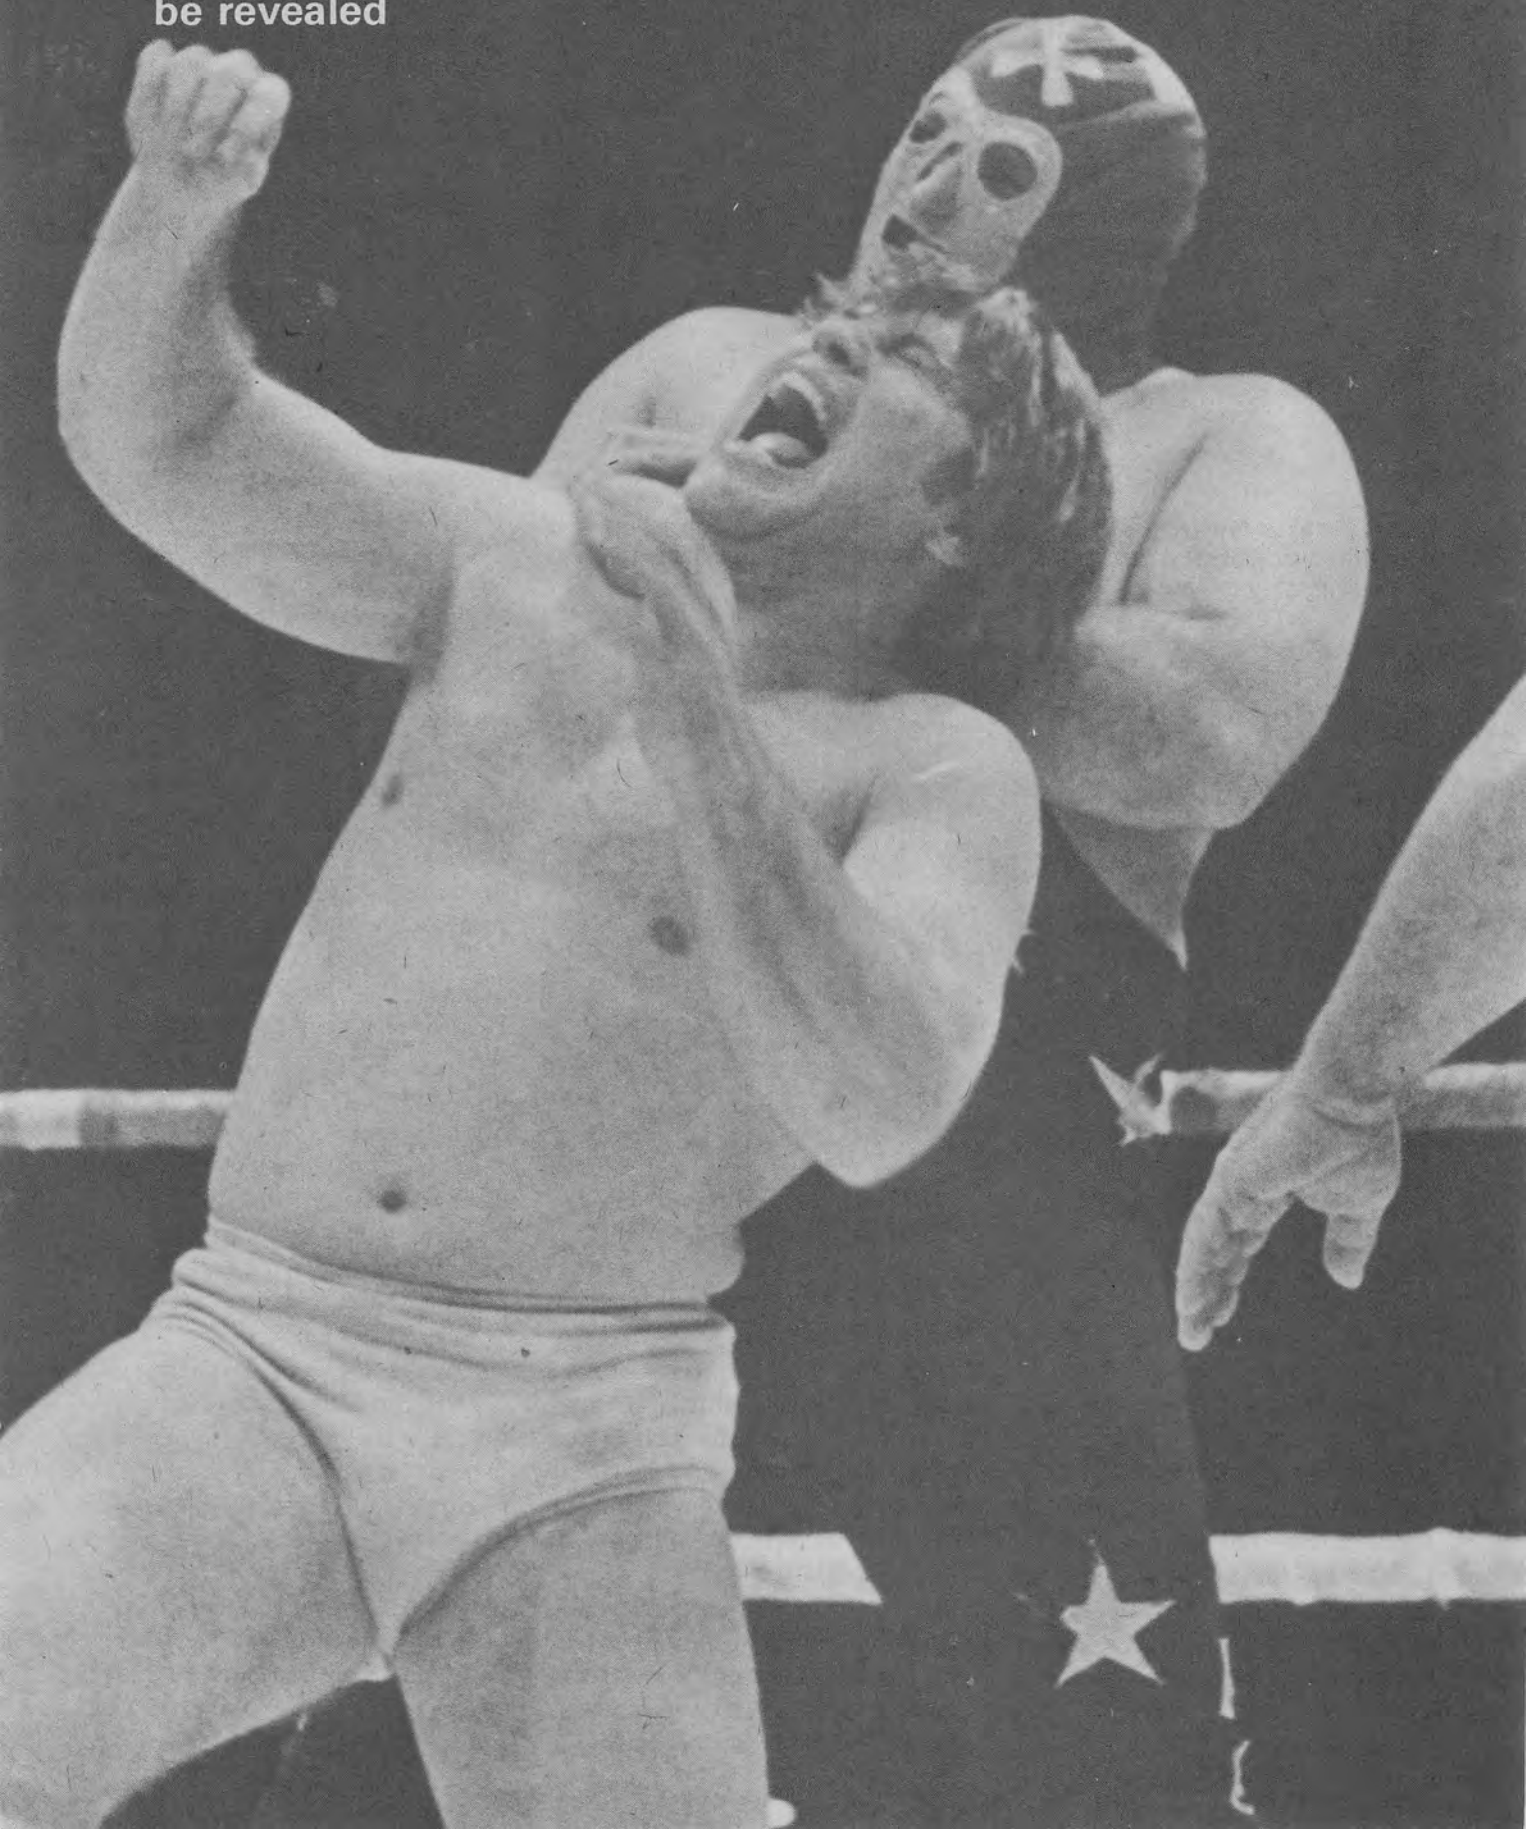

finding none that pleased him, he put on a record.

*"Yippie Tai Yi Yea,
Get Along little doggies!
It's your misfortune and none
of my own."*

Brunzell whistled along to the cowboy song. Whenever he's depressed, Jim likes to listen to songs that tell of the open range, no responsibilities, and no thoughts of a future. "It's your misfortune and none of my own."

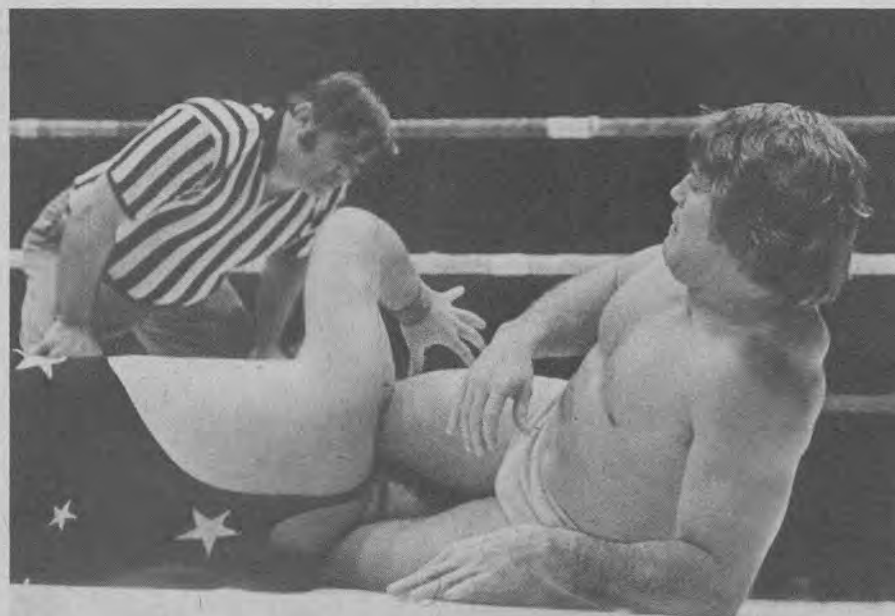

Jim reheated the remaining coffee and then began cleaning his apartment. He got as far as the couch, then sat down.

After wrestling Super Destroyer II, Jim Brunzell became a shaken man. During the match some terrible secret about this masked demon became known to Brunzell. It is a secret too horrible to be concealed . . . but too terrifying to be revealed

Brunzell applies an effective leghold against Super Destroyer II (above). Sometime during the match, Super Destroyer II's amazing secret became known to Brunzell. Jim locks the masked menace in a head scissors (below).

*"Ride around, little doggie,
Ride around slow.
Ole Firey and Scruffy
Are rarin' to go."*

"Ride around slow," Jim whispered. He then realized his coffee was boiling. He rushed to the kitchen and turned off the flame. He tried to drink the burnt brew but it tasted horrible. He put on a new pot. Only after it started brewing did Jim realize he didn't want any more coffee. Didn't matter, anyway.

The record ended. Jim tried to find something else that would fit his mood. He put on Leonard Cohen's "Songs From A Room." Then he listened to Dave Von Ronk's album entitled, "Just." He tried to fill his mind with music, hoping to keep the thoughts out. It didn't work.

He had to make a decision. Should he tell? Who should he tell? Did he have the right to destroy a man's career? What if he was wrong? Even if he was right, was he

the man to stand in judgement? Yet, if he remained quiet, that would make him just as guilty. Sooner or later, someone else would find out. Then what? Would his career be destroyed along with Super Destroyer II?

Less than 12 hours before, Jim had wrestled Super Destroyer II. It had been a hard, grueling battle. But the fans never realized half of what had happened. While wrestling Super Destroyer II, Brunzell found out something so horrible that it could force the masked grappler to be banned.

No one else noticed. Perhaps no one else ever will. If the secret ever got out, Super Destroyer would be forced to leave wrestling. Perhaps the man would never be able to work in any profession. All it would take would be two sentences from Jim's lips. Two sentences.

Deep in his heart, Jim knew he could never reveal the secret. He wasn't the man for character assassination. But Jim was just as sure that Super Destroyer had to be driven out of wrestling. Someone had to do it. That someone was Jim Brunzell.

The next day, Jim called the promoter. "I'll wrestle Super Destroyer II anytime, anywhere, anyhow. Money is no object; pay me anything you want? I have my reasons."

When Super Destroyer II heard of Brunzell's call, he immediately called up the young wrestler.

"You know," the masked grappler said.

"Yes."

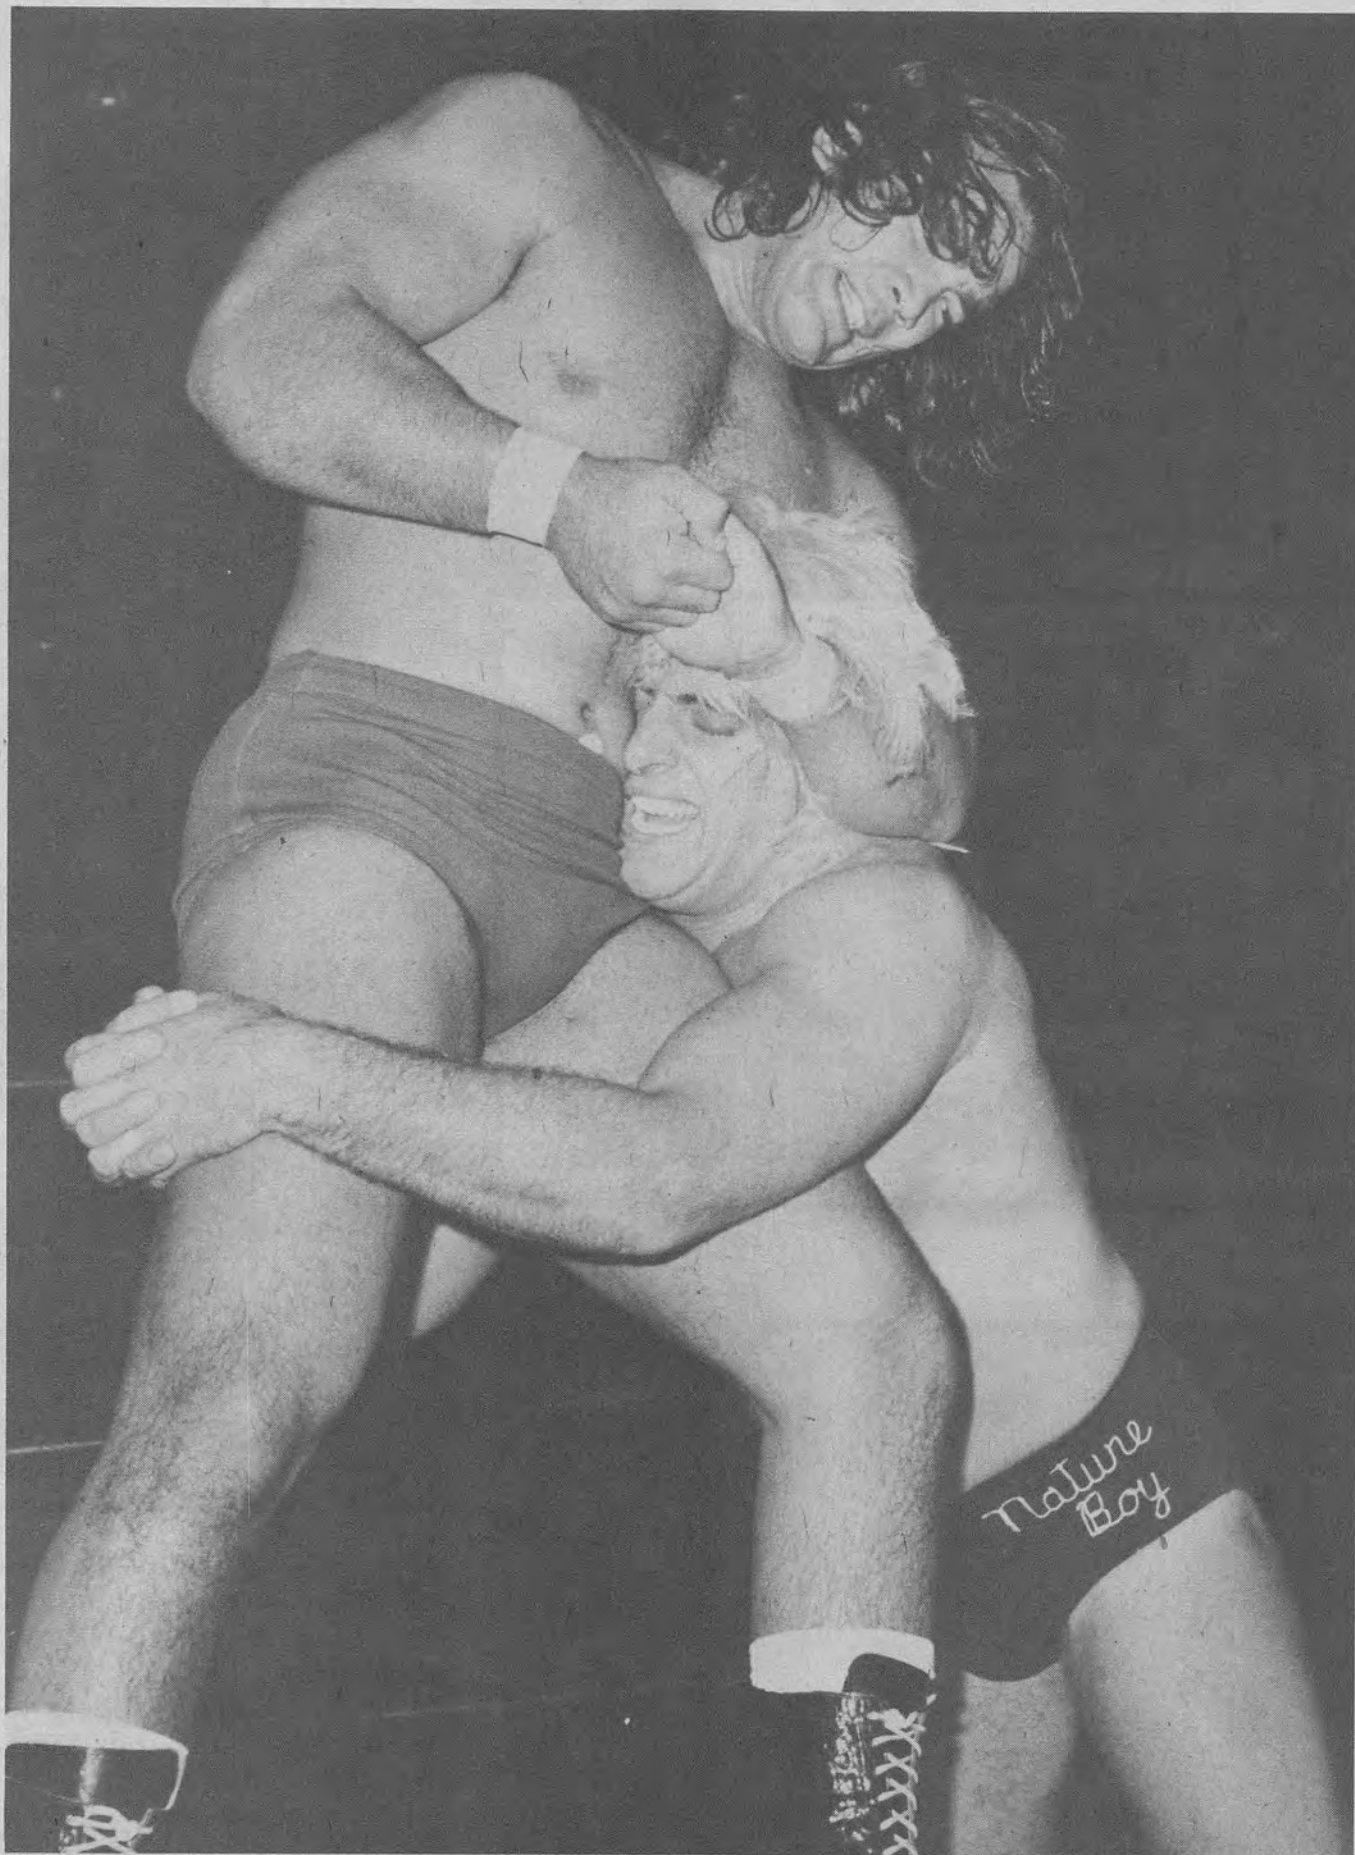

"You're not going to tell though."

"No. But I am going to drive you out of wrestling."

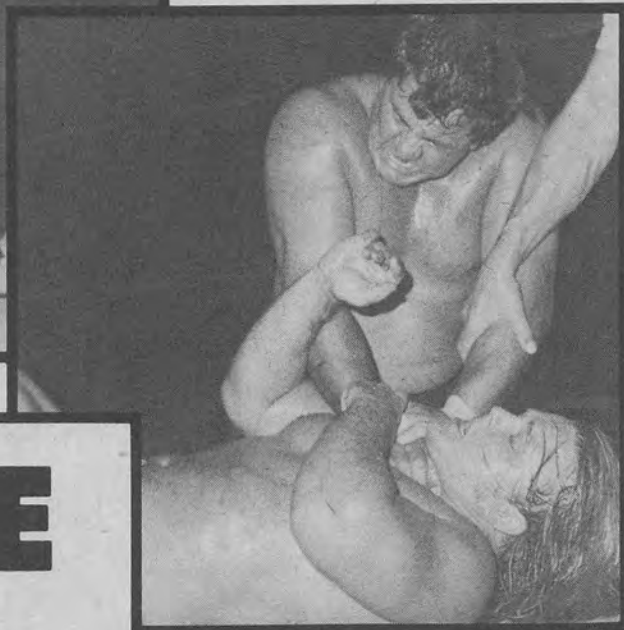

"You can try."

Jim Brunzell is ready to talk about his mission against Super Destroyer II. However, he's sworn never to reveal the masked grappler's horrible secret.

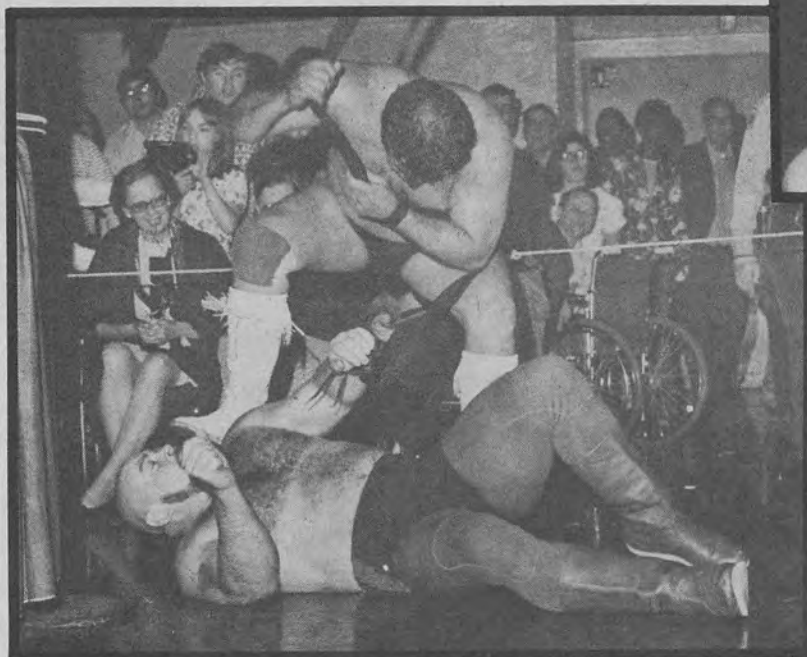

"If no one else finds out," Jim swears, "the secret will die with me." □

A TRIBUTE TO WAHOO McDANIEL

WHEN DISCUSSING Wahoo McDaniel, adjectives can seem repetitive. Warm. Decent. Kind. Fair.

Put two fans in the same room, mention the same wrestler and sure enough, an argument will begin. With Wahoo, certain arguments are defused. No one would debate his outstanding skills,

both in and out of the squared circle.

Certainly, Wahoo McDaniel's brilliant ring record recites its own praise. Winner of numerous regional titles. Often cited as the most favorite wrestler in the areas he wrestles in.

In this pictorial tribute to McDaniel, his moments of

greatness are preserved forever within the confines of our talented photographer's eyes.

Yet much of what Wahoo McDaniel represents cannot be conveyed through a picture. Perhaps not even a match can properly exemplify the deep kindness of this man.

Any wrestler will say that,

after the love of the fans, the praise of his peers is most important. Leave it for Jay Youngblood to fully, perhaps sentimentally, describe McDaniel.

"If we could cut up Wahoo's decency and make it into stars, they would light up the sky for millions of years." (Continued on page 56)

IT'S YOUR CHOICE--

SHOULD GREG BE BANNED

No one can deny wrestling is a savage sport. Everytime a wrestler climbs into the ring, he is risking bodily injury. Yet, for Greg Valentine, injuring an opponent is not a chance occurence. He does so purposely, openly, and joyfully. He must be banned. And here's how YOU can do it

Fan Ballot:

A CANCER IS loose upon the body of wrestling. This virus is slowly poisoning the sport, spreading a rash of terror through the community.

Unfortunately, it is not a simple one-celled animal. Its evil is complex, protected by layers upon layers of motivation and drive.

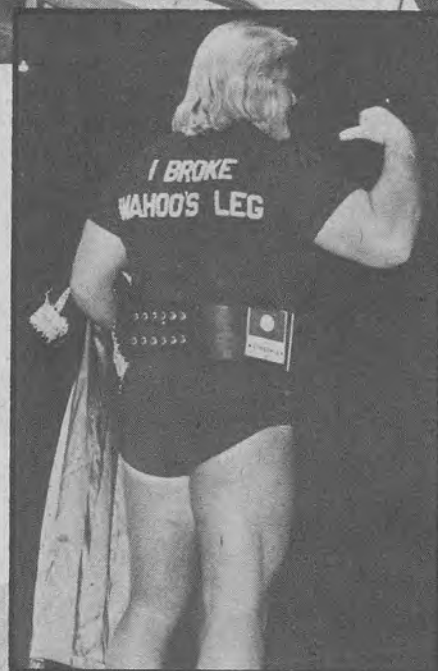

It is known by the humanoid name of Greg Valentine. But it is not human. It does not resemble anything human. No known species which walks upon this planet could have created such a creature.

Either it came, like a hideous bacteria, from space, or it rose from the ashes of hell. Either way, it must be stopped.

VALENTINE KIDNAPED?

Above: A heavily sedated Chief Jay Strongbow lies in his hospital bed a few hours after Valentine broke Jay's leg. Below: A pained Strongbow received medical attention from the arena doctor. Right: Valentine has broken legs before—and is proud of it.

Above: Valentine comes down on Dominic DeNucci's leg with a flying elbowsmash. Above right: Valentine continues to work on DeNucci's leg. The villain Valentine says he likes to hear his opponent's bones snap.

And only you fans can stop it. Let us recount its sins. This despicable creature learned a maneuver called the figure-four leglock. Other wrestlers have used it, much the same way a headlock

or flying bodypress is used. To achieve victory, no more.

However, this gross germ does not want more victory. It wants mutilation and dismemberment. It wants to destroy careers. It chuckles at the sounds of moans. It laughs upon hearing breaking bones. It sneers at any weakness.

Its name is Greg Valentine. You must stop it.

Ask Chief Jay Strongbow. Once upon a time, Chief had two good legs. He was born with them. He used them as a child. As a young man. As a scientific wrestler.

-In a match against Greg Valentine, one of those legs was broken. There was no reason for it. Strongbow had already submitted, trapped in a figure-four leglock. Why did Valentine maim? Why didn't he release the pressure?

Why? WHY!!!!

"I like the sound of legs breaking," Valentine confessed smilingly. "Nothing in the world gives me more pleasure than breaking someone's leg."

SPECIAL SECTION

REPORT CARDS OF THE STARS

By popular demand, we are once again presenting our "Wrestling Report Cards." Guaranteed to cause controversy, they have spared no one in their honest assessments. Get ready to see your favorite star receive his final grade!

TWO YEARS IS a long time in wrestling. Since we last assembled our distinguished panel to grade the top mat stars, important changes have altered the sport. Champions have risen and fallen. Challengers have ascended with mercurial potential only to lapse back into the well of mediocrity.

Despite this inherent unpredictability, we have called in our experts and asked them to once again rate the wrestlers. Admittedly, there was some grumbling. An avalanche of mail bombarded our panel after the last "Report Cards."

All wrestling experts must have a thick skin. Our panel has an iron

hide. They will need it. Their final grades will provoke controversy.

Wrestlers are graded on four crucial categories. First is conduct. Many people feel this is the most important aspect of a grappler. What a man is and how he acts in the ring determines fan reaction and, ultimately, career accomplishments. The experts argued many hours over this category.

Next came ability. It was difficult for the experts to be objective. Sometimes a rule-breaker will obscure his innate skills with fiendish conduct and his talent becomes buried. We tried to push away prejudices and extract and grade the talent.

Third is maneuvers. Of course,

this combines behavior and ability into tangible ring action. Each expert had his own perception of what makes a maneuver effective. Again, hours of noisy debate preceded the decisions in this category.

Finally, there is the category of future prospects for the grappler. This indicates where we feel the wrestler will go, based on what he's done so far in his career.

After publication, many fans and many wrestlers will feel slighted and angry at the final grades. Remember, this is a thankless job for which our experts receive no pay and little reward.

All they ask is that you respect their integrity and their right to their esteemed opinions. □

OVERALL

**MR.
WRESTLING II**

A-

GRADE

CONDUCT:

A wrestler with integrity. His adherence to scientific wrestling borders on religious. Perhaps the adoring relationship between him and the fans accounts for this. Some use the mask to conceal evil. Mr. Wrestling II uses it to promote decency.

GRADE

90

ABILITY:

Power, refined by years of experience, is his principle weapon. Admittedly not the swiftest afoot, but what he lacks in quickness is compensated by cleverness. If one man could write a book on scientific wrestling, it would be Mr. Wrestling II.

GRADE

83

MANEUVERS:

A master with the spinning toehold. Few foes can escape this punishing maneuver. Countless times he's had opportunities to cripple an opponent. But he never would. By using his wily strength, II has elevated the spinning toehold to a masterful art.

GRADE

86

FUTURE:

For as long as he works hard, refines his moves and keeps his powerful body trim, II will be a contender. Sources report that removal of the Masked Superstar from Georgia arenas is II's driving ambition. No matter the foe, the fans will always be the driving fuel in II's engines.

GRADE

85

OVERALL

**NICK
BOCKWINKLE**

B-

GRADE

CONDUCT:

The AWA champion's ring behavior is highly controversial. Many claim his former manager, Bobby Heenan, was constantly responsible for pulling Nick out of seemingly hopeless situations. Although he claims he owns an uneven temper, Bockwinkel's frequent disqualifications simply serve the purpose of keeping the title in his corner.

GRADE

66

ABILITY:

The entire world can finally see what kind of wrestler Nick Bockwinkel really is. When Bobby Heenan directed his attack, Bockwinkel was obsessed with holding onto his belt and did whatever was necessary to do so. Now, with Heenan hundreds of miles away, Nick finally has to wrestle on his own.

GRADE

80

MANEUVERS:

A proponent of the dangerous figure-four leglock, Bockwinkel also uses the Boston Crab to great effectiveness. But Nick's array of maneuvers are usually clouded by his uneven ring behavior. His shocking strength and veteran experience allow him to handle all moves without panic.

GRADE

90

FUTURE:

This may be the most often-asked question in the sport today. Can Nick survive without Heenan? Will his seemingly endless title reign end in an embarrassing display of inadequacy? The experts give Nick's title reign one more year at the most, although the current contenders have not dented Nick's ego or his protective championship shell.

GRADE

75

OVERALL

DUSTY RHODES

A-

GRADE

CONDUCT:

Unpredictable. Not a finesse wrestler. Not a real brawler. Possesses an explosive temper which Rhodes confesses is his most serious flaw. Rhodes has a charming unruliness. He is able to keep the match scientific, but equally able to batter a foe senseless.

GRADE

80

ABILITY:

Enormous. For a large man, Rhodes has tremendous quickness. He also has excellent concentration. Unfortunately, that volatile temper shatters the concentration. Has surprising power.

GRADE

93

MANEUVERS:

The bionic elbowsmash is a lethal weapon. When Rhodes begins to unfurl it, a rippling delirium coarsens through the crowd. Few can survive its punishing effects. When and if Rhodes finally captures a world title, the bionic elbow from the "American Dream" will be the final winning maneuver.

GRADE

91

FUTURE:

Despite winning several regional awards and numerous fan favorite plaques, Rhodes' dream eludes him—a world title. He has challenged many times but always seems to fall short. Until he harnesses that fiery temper, his goal will remain beyond his grasp.

GRADE

89

ERNIE LADD

OVERALL

C-

GRADE

CONDUCT:

This man has utter disregard for wrestling rules. No dirty trick is beneath him. He will distract foes with false alarms to gain an unfair advantage. He will whine to the referees about alleged dirty tricks, and then turn around and use any despicable tactic he knows.

GRADE

60

ABILITY:

Underrated. At 6-9, Ladd is a formidable figure. By relying on rulebreaking, Ladd has allowed his natural skills to rot. Has strength and deceptive quickness. At times, sheer physical presence can overwhelm opponents.

GRADE

73

MANEUVERS:

Consistent with his crass character, Ladd's primary weapon is his taped thumb. Supposedly the result of an old football injury, Ladd regularly pokes the thumb into his opponents' eyes. Also enjoys whipping an opponent off the ropes, then slamming his foot into his foe's face.

GRADE

68

FUTURE:

Yet to find his niche. Perhaps recent terrorization of Mid-Atlantic area signals a foreboding future. Has both talent and determination to win a world title. Still needs one powerful finishing maneuver to become a great grappler.

GRADE

80

BULLDOG BROWER

OVERALL

F

GRADE

CONDUCT:

Disgraceful. A wild savage unleashed amid civilization. The inevitable collision and destruction only further tarnishes this lunatic's reputation. No sickening, vile distasteful act is beneath this depraved beast's greedy mind.

GRADE

58

ABILITY:

There is much controversy on this aspect of Brower. Embedded within the maniacal soul lurks a natural wrestler. All the equipment is there: strength, speed, determination. Yet the deranged mind has created such a bizarre personality that all talk of talent becomes meaningless.

GRADE

80

MANEUVERS:

Is purposeful mutilation an art? Will blood-lust suffice for ambition? For Bulldog Brower, maneuver is a deceiving term. Simply, he enters the ring and tries to maim his foe any possible way he can.

GRADE

60

FUTURE:

Only a radical change in personality can offer a bright future. There is talent and obviously drive. Some control and channeling of energy is essential if he is to live up to his potential. But it is doubtful that such a change will occur.

GRADE

75

OVERALL

JACK BRISCO

A-

GRADE

CONDUCT:

This man personifies class. Only when provoked far beyond rational restraint will he stoop to brawling. However, Jack Brisco can brawl with the best of them. He combines that rarest of formulas: strength, savvy, and ring wisdom. Any young wrestler would be wise to emulate this former two-time NWA champion.

GRADE

94

ABILITY:

Considerable. In fact, there are moments when Brisco approaches genius in the fluidity of his talents. Strength and speed are his principle virtues. Possesses a deep intellect which permits him to swiftly detect foe's faults.

GRADE

90

MANEUVERS:

As an exponent of the figure-four leglock, Brisco is known for solid scientific maneuvers. Unlike rulebreakers, Brisco uses the maneuver solely to achieve victory. Though the figure-four leglock is his specialty, Brisco is accomplished in the use of the Boston Crab.

GRADE

92

FUTURE:

No one wins the NWA title *twice* without holding a significant place in wrestling legend. For his triumphs inside the squared circle and for the grace he typifies outside, Brisco has done much in his career. More is expected of him. He has his own tough act to follow.

GRADE

87

ANDRE THE GIANT

OVERALL

A+

GRADE

CONDUCT:

Andre exemplifies all the finest aspects of professional wrestling. Given his enormous size advantage, the temptation to bully opponents must be great. Yet Andre refrains from such crass intimidation. Fortunately, the Giant has morals.

GRADE

96

ABILITY:

Tremendous skills lie within this fortress of strength. Obviously, his sheer size enables him to overwhelm foes. But Andre the Giant is not only size. For a man standing 7-5, his agility is startling. Also, his strong hands are like animal traps.

GRADE

90

MANEUVERS:

Two maneuvers demonstrate Andre's repertoire. One is the bearhug, a formidable maneuver in any strongman's arsenal. In Andre's grip, it can be lethal. The other maneuver is the flying bodypress, a tactic which requires size and agility.

GRADE

85

FUTURE:

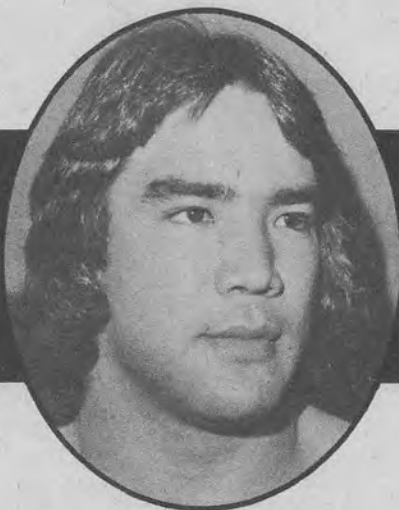

Limitless. No one has ever defeated him. And looking ahead, it is likely no one ever will. Privately, Andre admits disappointment at the method used by rulebreakers to deny him a world belt. But he's determined to win one. Who would bet against him?

GRADE

94

OVERALL

**RICK
STEAMBOAT**

B+

GRADE

CONDUCT:

Once impeccable, lately shoddy. Since winning the United States heavyweight title, Steamboat has been victimized by his own rude temper. He's compiled an embarrassing amount of disqualifications for a scientific wrestler. Whether this is a passing phase or a permanent condition could determine Steamboat's once gleaming future.

GRADE

80

ABILITY:

Talented and improving. Magnificent physique and cunning intellect gives him imposing qualifications. Maintains his muscles. Very agile. Surprises opponents with his power.

GRADE

91

MANEUVERS:

Executes the very difficult "Karate Thrusts." Though one of wrestling's more difficult maneuvers, Steamboat's agility enables him to implement the move with devastating accuracy. With his physique and natural talent, no maneuver is beyond his grasp.

GRADE

90

FUTURE:

A few months ago, Steamboat's career seemed limitless. Surviving a gory feud with Ric Flair and winning the U.S. title, Steamboat was catapulted into superstardom. But his inexplicable temper may ruin him. If Steamboat conquers it, defeating wrestling's rulebreakers will be easy for this sensational grappler.

GRADE

88

RIC FLAIR

OVERALL

C

GRADE

CONDUCT:

An infected sore upon the face of wrestling. His star status merely compounds his loathsome manner. Maiming and crippling are as natural to him as breathing and eating. Wrestling was not intended to be the gross spectacle of gory disfigurement Flair transforms it into.

GRADE

64

ABILITY:

Impressive. Despite reliance on rulebreaking, Flair's strength and shrewd mind enable him to gain advantages over foes. Unfortunately, he is unwilling, or unable to ever channel natural skills into a positive approach to his sport.

GRADE

83

MANEUVERS:

His flying elbowsmash is a thing of powerful devastation. To adequately implement it, one must have no second thoughts about hurting his foe. Flair has none. At this stage, he is content to use the flying elbowsmash as his primary maneuver. That and brutality, of course.

GRADE

79

FUTURE:

Murky for reasons of personal problems. As Flair becomes increasingly isolated, he must find the pressure unbearable. Unless he can somehow modify his extreme position, he will find himself pitted against the world. No one, regardless of how tough they may be, can triumph over those odds.

GRADE

72

OVERALL

**BOB
BACKLUND**

A

GRADE

CONDUCT:

Excellent. As a noble, active WWF champion, Backlund has grown into the responsibility of being a symbol of decency and quality. In the beginning of his title reign, his conduct was occasionally immature and uneven. But today Backlund is a veteran, ring-wise champ.

GRADE

93

ABILITY:

Considerable. Backlund's natural talents have never been questioned. A fine athlete, his amateur wrestling background has trained him well for the grueling grind of the professional mat world. Speed is his forte, but his strength is underrated. Also, hours of gym work have increased his stamina considerably.

GRADE

93

MANEUVERS:

The atomic spinebreaker has finished many of his foes. Backlund's repertoire would make most veterans jealous. He displays a fine knowledge of most holds and his defense and counter-maneuvers are outstanding. He is still improving in this respect.

GRADE

92

FUTURE:

Backlund is no longer a youngster with great potential. He is a champion who has reached the top and enjoys the feel of the WWF championship belt around his waist. However every rulebreaker in wrestling would love to maim him and he knows it.

GRADE

96

HARLEY RACE**B****GRADE**

CONDUCT:

The NWA champion is a master of the moment. He is best described as an opportunist, a veteran grappler who does what it takes to hold on to his title. Race has the capabilities of wrestling scientifically for an entire match. He also knows how to lose his cool and be disqualified when such action will save his belt. Also a superb brawler.

GRADE**78**

ABILITY:

Harley Race is talented. Even his severest critics cannot deny this. His speed has been questioned, but his experience helps him to be at the right place most of the time. Strength is essential and Race possesses plenty of brawn, but Harley still keeps trucking mainly due to his brains and timing.

GRADE**82**

MANEUVERS:

Few wrestlers exhibit a wider display of suplexes than Harley Race. Also a master of the piledriver, Race can choose several finishing holds when he is in total command of his matches. Frequently, however, Race's rulebreaking tendencies will erase his selection of intricate scientific maneuvers.

GRADE**84**

FUTURE:

When you are at the top, where can you go but down? Race's reign has been longer than the experts expected. The NWA is an extremely strong alliance and Harley cannot squeeze by forever. But he has lasted this long. He has been a brilliant, though controversial champion.

GRADE**81**

OVERALL

**GREG
VALENTINE**

D-

GRADE

CONDUCT:

Beyond description. Valentine has terrorized east coast wrestling and no one has disciplined him. Besides exhibiting a total disregard for all wrestling rules, Valentine receives extreme joy upon breaking the limbs of his poor opponents. A young maniac, Valentine must be stopped before he puts the entire scientific community in wheelchairs!

GRADE

56

ABILITY:

Unfortunately, Valentine's natural talents are hidden beneath a disgusting rulebreaking cover. He is strong and possesses an intricate knowledge of scientific maneuvers. But he chooses not to use them. His speed is surprising and his strength is more than adequate. But he continues to brawl and maim instead of wrestle.

GRADE

74

MANEUVERS:

Valentine has become a sadistic master of the figure-four leglock. Usually used to make an opponent submit, the dreaded maneuver is carried one step further by the treacherous disciple of the Grand Wizard. Valentine applies the maneuver until he hears the leg bone pop. Then he smiles. He also uses a vicious elbowsmash.

GRADE

68

FUTURE:

Even those who quiver upon seeing the hideous style of Valentine admit he has unlimited potential. But for as long as the shrewd, cunning mind of the evil Grand Wizard directs Valentine, Greg will be a rulebreaking menace. The motive of revenge may eventually cause his downfall. Several wrestlers want to see him retired.

COURAGE HAS YET TO BE PROVEN

Bob Backlund has a long way to go before he can be accurately awarded a 10.0 in the courage category. I'm tired of hearing how he's taken on all the top challengers and all the fiendish rulebreakers. As far as I'm concerned, that's just some Skoaland-Backlund propaganda.

Backlund still whines, still cries and refuses to conduct himself like a true champ. Maturity is still far beyond Backlund's grip. And until he reaches maturity, he won't find the courage needed to be a great wrestler.

LYNN SULLIVAN
New York, N.Y.

WWF champion Bob Backlund's courage has yet to be tested, according to reader Lynn Sullivan. We are sure many disagree with her assessment.

they seemed to allow emotions to cloud their judgements. Wahoo McDaniel is one such example of this. I don't think his finishing maneuvers deserve a 9.5. Certainly his repertoire doesn't deserve a 9.5 either.

Another example of this is your rating of Ivan Putski. Again, a nice guy but overrated as a wrestler. I'll concede his strength, not much more.

HELEN WALTERS

A BIT OVERRATED

Affection shouldn't be confused with skill. When your magazine charted wrestlers,

RUBBISH, RUBBISH AND MORE RUBBISH

Just because your "experts" don't understand the man from Sudan, there is no reason to

downgrade Abdullah the Butcher. To give Abdullah a mere 72.5 score in your Stat-O-Charts is an insult.

Has anyone ever sat down with Abdullah and tried to understand why he is the way he is? Have any of your "experts" traveled to Sudan in quest of a larger understanding of Abdullah's background?

Obviously not. But you judge him real quick, don't you? Experts? Humbug!

ARNOLD SLOANE
Macon, Ga.

Former WWF champion Superstar Billy Graham should not be rated, or so says Andre LaPlume of Philadelphia. Our opinion is Graham is still a top wrestler.

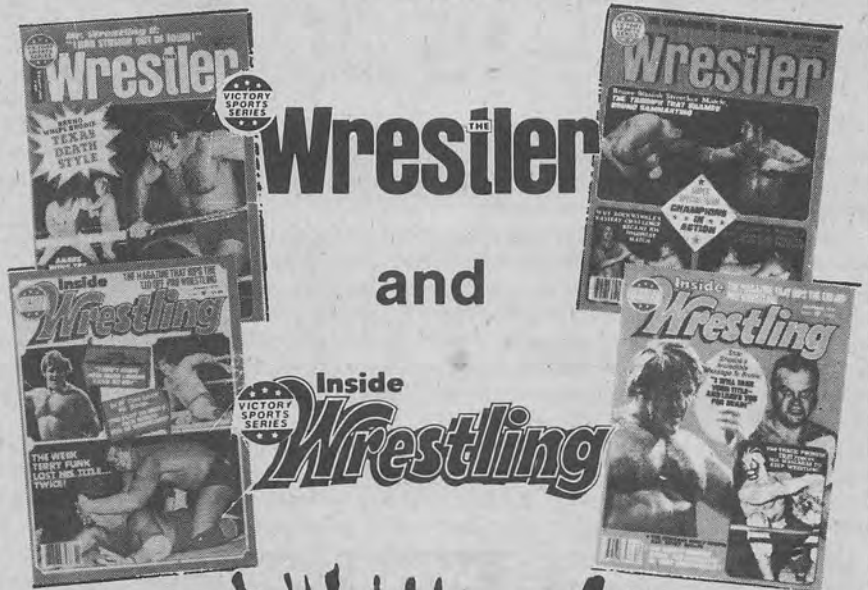

GRAHAM IS OVER THE HILL

Stop ranking that bum, Superstar Billy Graham. The guy's a total loser and he'll get as close to another title as I will. You can see his muscles turning flabby to match his mushy mind. Why you bothered to rate him, much less give him a high mark of 92.0, completely eludes me.

Funk is star-struck. A popular, sensational former NWA champion, Funk appears perilously close to ending his ring career for a full plunge into the glitter and glamour of the cinema.

Funk's initial bout with the movie industry was impressive. In Sylvester Stallone's "Paradise Alley," Funk played Frankie the Thumper, a mean, light-headed enforcer who foams at the mouth in anticipation of breaking bones. In the film's climactic final scene, Funk wrestles Lee Canalito, a professional boxer tutored by Terry for the movie. The exciting action was as thrilling as any Funk-Brisco match. Terry even received seven stitches for his efforts.

While shooting the film, Terry wrote and choreographed the wrestling scene. He discovered a joy for writing, and has now written his own screenplay. It is (Continued on page 50)

The secret of teaching yourself music

Learn piano, guitar, etc., at home in spare time

It may seem odd at first—the idea of teaching yourself music. You might think you need an expensive private teacher to instruct you—and to tell you when you make a mistake.

But, the fact is, you don't. Thousands have taught themselves to play with the U.S. School of Music courses. By mail. So can you.

The secret lies in the step-by-step way our lessons teach you. Starting from scratch, they show you with simple words and pictures exactly what to do. You learn to play the right way — by note, from sheet music. Without gimmicks.

But how do you know you're doing it right? Easy. A lot of the tunes you'll practice first are simple songs you've heard before. Since you know how they're supposed to sound, you can tell when you've "got them right."

By the time you go on to more advanced pieces, you'll be able to tell if your notes and timing are right, even without having heard the songs. Before too long, you'll be playing different kinds of music: ballads, old favorites, show tunes, or hymns.

For more information about this convenient, economical way to learn music, mail the coupon. We'll send you our free booklet, and a free "Note-Finder." There's no obligation on your part.

"It is about this fellow that is pretty much of a whiskey-drinkin', God fearin', wife grievin' son-of-a-

gun," Funk explained. His wife passed away. He has a boy, a ten-year-old boy, who is very much in love with his father, although his father does have some extreme drinking problems.

We receive many requests from collectors all over the world for back issues which were sold out long ago. Some collectors offered as much as \$25 for a single rare back issue. Unfortunately, we could not comply because not even one copy remained.

Now we are offering these extremely rare issues, on a FIRST COME FIRST SERVE BASIS, for \$5 per copy. These copies will not last long, so we caution you to order immediately to avoid being disappointed. Not all these copies are in perfect condition. description. I mean this guy is really too crazy to be anybody you know. I laugh like hell every time I think about it."

But what of Terry Funk the wrestler? Have we seen the last of

"I love the sport," Terry answered. "I still love the sport very much, but I can't name you very many 75-year-old wrestlers or even 65-year-old wrestlers that are still alive. I am talking about the

Terry relaxes at home while reading his movie script. Does a booming Hollywood career mean the end of Terry Funk the wrestler? Terry isn't sure. But he is sure that he loves the movie industry.

fellows who have retired. I think the constant blows and slams take their toll. I haven't retired because I don't have enough money to retire, but I have slowed my schedule way down.

Terry tosses Harley Race to the mat (above). He and Race have had several classic matches. Their feud is legendary. Funk was once an NWA champion.

"I would like to retire now. It is not that I've lost it as a wrestler. I don't even know if I've reached my peak. I know this, though. Wrestling is a very, very tough profession on your family life."

The production schedule for Funk's screenplay begins in August or September. What does this mean to the thousands of loyal, die-hard Terry Funk fans?

"If I get the go on this completely, that's it. I am not saying later on—sure I'd like to wrestle some more once in a while. I would not be out of wrestling completely, but I would be out of the picture as far as wrestling constantly."

The bell has rung for the match between Terry Funk and the Silver Screen. But there is no time limit and Terry will not be disqualified. His fans will miss his great ring efforts, but they will root for Terry in the movie theatres across America, just as they did in the wrestling arenas.

Good luck, Terry. This is the toughest opponent of your life. ☐

Insane. Yes, Bruno Marinara and Bobby Boo are insane.

Bulldog is sane. He is a great wrestler. He always wins. He must be sane. Only losers are insane. Sammartino is a loser. What's he won lately, a pizza pie contest? And Bobby Boo? Only way he keeps his belt is having Arnold Skoaland sit on the opponents before every match.

Throughout history, great men and geniuses have been misunderstood. Think of all the sneers that Thomas Edison, a relative of mine, got when he

Whenever someone is ahead of his time, people scorn him. I've endured scorn and risen about it, swallowed it all and spit it back in their faces.

Captain Lou Albano is a genius. I am light years ahead of any manager in the solar system. I am sane as anyone.

And Bulldog Brower is as sane as I am. So there. □

GREG VALENTINE

(Continued from Page 32)

On the night Valentine broke Strongbow's leg, Jay receives comfort from the doctor and Gorilla Monsoon. All of the WWF scientific wrestlers hope Greg is banned.

This is an evil thing. It is invading and ruining our beloved sport. It cannot continue. We have found a way for fans to stop it.

SHOULD GREG VALENTINE BE BANNED?

Consider all it has done. Broken bones. Callous shattering of rules. Everything wrestling perceives as sacred, Valentine has destroyed.

Banning a wrestler through fan ballots is not new. However, wrestling has never faced a crisis like this. Officials seem powerless or afraid to do anything. Wrestlers are growing helpless before this disease.

It's not as if this is Valentine's first infection of wrestling. Time and again, he has tried to ruin careers. He has been warned.

This creature has no fear.

"Who's gonna stop me, huh?" sneered Valentine. "What, some creepy wrestler is gonna stop me in the ring? You kidding me, chump?"

A complication has set in. Another virus has joined forces with the Valentine-germ, creating a larger, more dangerous entity.

His manager, the Grand Wizard. Surely a foul thing in itself.

"We want Greg to break legs. It keeps him in shape," insisted the Wizard. "Either you got thick bones or you don't. Obviously they don't make wrestlers like they used to.

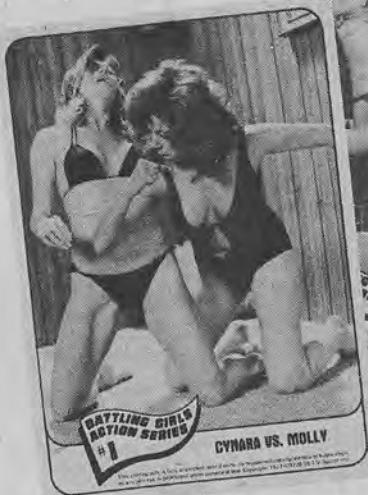

"Fans? Fans love to see broken legs. As long as they love broken legs, Greg will keep breaking 'em. And if they don't like them, Greg will break the legs just for spite."

How many legs must a man break off, before they call him a beast? How many bones must a man shatter, before they call it the end?

The answer, fans, depends on you. Let us know how you feel. Fill out the ballot on page 32 and send it to us today. ☐
